American Recovery and Reinvestment Act - REQUESTS

COUNT	NAME OF ORGANIZATION	PROJECT	DESCRIPTION	AMOUNT
1	3rd Street Pedestrian Bridge Project	Third Street Pedestrian Bridge, Moscow	Pedestrian bridge	\$ 65,000.00
2	A Line Above	Health Information Technology project, Boise company - statewide project	Expand Idaho's Health Data Exchange by adding on 10 new healthcare facilities and 1.5 million lines of transcription. The requested funding will allow for necessary technology and secure facility contracts	\$ 195,775.00
3	Aberdeen School District	Renovations and Repairs	New Boiler (HS)	\$ 100,000.00
4	Aberdeen School District	Renovations and Repairs	Keyless Entry System	\$ 50,000.00
5	Aberdeen School District	Renovations and Repairs	Bus Shop Lift	\$ 25,000.00
6	Ada County	North Ravine Landfill	expansion of landfill	\$ 259,700,000.00
7	Ada County	Deflection Berm	Building a deflection berm adjacent to the Barber Dam	\$ 500,000.00
8	Ada County	Fish Habitat Restoration project	Creating a side channel along the Boise River, connecting to Barber Pool	\$ 430,000.00
9	Ada County Library	Library	Renovation	\$ 400,000.00
10	Ada County Paramedics	Star Ambulance Station		\$ 1,950,000.00
11	Adam Waldron	Solar Panels	Design, build, and test a low cost solar panels	\$ 12,000.00
12	Adolescent & Child Development Center	Office Equipment and Curriculum for Program Expansion, Pocatello	Need for miscellaneous office equipment and curriculum in order to sustain various therapy programs including developmental therapy, PSR and IBI services	\$ 34,209.00
13	Advocates Against Family Violence	Housing/Energy Efficiency	Retrofit existing facility for energy efficiency	\$ 1,280,000.00
14	Agua Caliente LLC	Raft River KGRA, Newdale Thermal Anomaly, and Wiser KGRA	well drilling	\$ 180,000,000.00
15	Agua Caliente LLC	Crane Creek Geothermal Resource project	well drilling	\$ 45,000,000.00
16	American Falls School District	Renovations and Repairs	American Falls Intermediate School	\$ 3,537,500.00
17	ANSER Charter School	Renovations and Repairs	Code Upgrades	\$ 226,400.00
18	Armand M. Eckert	Electrical Transmission Project	Rebuilds southern Idaho's electric transmission lines	\$ 64,000,000.00
19	Artificial Muscle Inc	World Class High Fidelity Haptics	private company development	\$ 1,600,000.00
20	Ashton Memorial	Computer purchase, Ashton	Purchase 12 new computers	\$ 8,000.00
21	Aurora Power & Design	Alternative Energy Systems	Development of Solar Absorption Air Conditioning System	\$ 482,000.00
22	Banberry Ranch	Geothermal Power Plant	Construct a geothermal power plant in Twin Falls County	\$ 12,300,000.00
23	Bannock Humane Society	Veterinarian job training program		\$ 3,968,107.00
24	Basin School District (Idaho City)	Energy Efficiency	Bio-Mass Green Rated Boiler System/Energy Conservation	\$ 4,000,000.00
25	Bear Lake School District	Renovations and Repairs	New Middle School	\$ 18,000,000.00
26	Bear Lake School District	Renovations and Repairs	High School Auditorium	\$ 4,000,000.00
27	Bear Lake School District	Renovations and Repairs	High School Auxiliary Gym	\$ 4,000,000.00
28	Bear Lake School District	Renovations and Repairs	Middle School Addition	\$ 4,000,000.00
29	Bear Lake School District	Renovations and Repairs	Pave Parking Lots	\$ 125,000.00
30	Bear Lake School District	Renovations and Repairs	Fire Suppression Systems	\$ 100,000.00
31	Bear Lake School District	Renovations and Repairs	Paris Kitchen Addition	\$ 30,000.00
32	Bear Lake School District	Renovations and Repairs	Electrical Upgrades	\$ 30,000.00
33	Bee Line Water Association, Inc.	Water System improvements	Completes upgrades to existing sand filter and replaces the existing storage tank	\$ 991,000.00
34	Benewah County	Jail/Law enforcement complex	New jail	\$ 4,858,020.00
35	Benewah County	Municipal Solid Waste Transfer Station	New building	\$ 2,000,000.00
36	Benewah County	Benewah Creek Road and others	paving	
37	Benewah County	Cottonwood Point	chip sealing	
38	Benewah County	State Highway 3	safety issues	
39	Benewah County	State Highway 5	safety issues	
40	Big Wood Canal Company	Management Plan and Improvement Projects	irrigation project	\$ 7,972,401.00
41	Bill Mulligan	Three Rivers Timber	restart idle logging company	\$ 7,000,000.00
42	BioGreen Energy Inc.	Waste to Electricity	private company development	\$ 10,000,000.00

Division of Financial Management

American Recovery and Reinvestment Act - REQUESTS

COUNT	NAME OF ORGANIZATION	PROJECT	DESCRIPTION	AMOUNT
43	Bird Aviation Museum and Invention Center	educational technology		\$ 175,000.00
44	Bishop Kelly High School	Renovations and Repairs	Construction of new student commons, front entrance	\$ 2,175,600.00
45	Bishop Kelly High School	Renovations and Repairs	Parking Lot Resurfacing, floodwater conformity	\$ 771,100.00
46	Blackfoot Animal Clinic	purchase pre-fabricated kennels	private company development	\$ 70,000.00
47	Blackfoot Community Center	Blackfoot Community Center, Blackfoot with regional impact	Funding for land acquisition, development, design and construction for this public use facility. The proposal is for a 10,000 square ft. facility which would include a gym, kitchen, computer lab, multipurpose room and classrooms	\$ 1,500,000.00
48	Blackfoot School District	Renovations and Repairs	Heating Control System	\$ 185,000.00
49	Blackfoot School District	Renovations and Repairs	Bathroom Remodel	\$ 120,000.00
50	Blackfoot School District	Renovations and Repairs	New Bleachers (Middle School)	\$ 98,000.00
51	Blackfoot School District	Renovations and Repairs	Repaint Walls (High School)	\$ 94,700.00
52	Blackfoot School District	Renovations and Repairs	Lunchroom Table Replacement (Elementary/Middle School)	\$ 86,400.00
53	Blackfoot School District	Renovations and Repairs	Flooring Replacement	\$ 73,000.00
54	Blackfoot School District	Renovations and Repairs	Lighting (Parking Lots)	\$ 42,000.00
55	Blackfoot School District	Renovations and Repairs	Paving	\$ 36,900.00
56	Blackfoot School District	Renovations and Repairs	Security System (Kindergarten and Elementary)	\$ 36,000.00
57	Blackfoot School District	Renovations and Repairs	Steam Trap Replacement	\$ 30,000.00
58	Blackfoot School District	Renovations and Repairs	Elevator Repair (High School)	\$ 18,400.00
59	Blackfoot School District	Renovations and Repairs	Replace Curtain	\$ 16,500.00
60	Blackfoot School District	Renovations and Repairs	Sidewalk (High School)	\$ 15,000.00
61	Blackfoot School District	Renovations and Repairs	Door Replacement (Elementary)	\$ 5,600.00
62	Blackfoot School District	Renovations and Repairs	Door Install (BHS Library)	\$ 5,200.00
63	Blackhawk Wind Energy Systems	Innovations in wind energy technology	expand existing manufacturing capabilities in Boise	\$ 2,000,000.00
64	Bliss School District	Renovations and Repairs	Fire Code (Ag/Gym)	\$ 70,000.00
65	Blue Ribbon Energy LLC	Electricity Generation	wind turbine	\$ 555,000,000.00
66	Bogus Basin	Water treatment system		\$ 1,744,000.00
67	Boise Auditorium District	Idaho State Convention Center	new convention center in downtown Boise	\$ 30,000,000.00
68	Boise County	Energy Efficient Heating Systems (4 buildings)	Equipment purchase and installation	\$ 250,000.00
69	Boise School District	Energy Efficiency	Energy Efficiency Upgrades @ 7 schools	\$ 2,100,000.00
70	Bonner County	Bonner County Juvenile Detention Center	construction of new jail	\$ 5,800,000.00
71	Bonner County	emergency medical services		\$ 1,000,000.00
72	Bonner County	County Search and Rescue	building	\$ 120,000.00
73	Bonner County Fair Foundation	Fairground Improvement	Roof, floor, pavement for parking area	\$ 572,500.00
74	Bonneville Joint School District	Renovations and Repairs	Roof Replacement (Sandcreek Middle School)	\$ 1,600,000.00
75	Bonneville Joint School District	Renovations and Repairs	HVAC Upgrade (Cloverdale Elementary School)	\$ 300,000.00
76	Bonneville Joint School District	Renovations and Repairs	HVAC Upgrade (Falls Valley Elementary School)	\$ 300,000.00
77	Bonneville Joint School District	Renovations and Repairs	Elevator for ADA (Ammon Elementary School)	\$ 240,000.00
78	Bonneville Joint School District	Renovations and Repairs	HVAC Upgrade (Rocky Mountain Middle School Annex)	\$ 100,000.00
79	Bonneville Joint School District	Energy Efficiency	Window Retrofit (Ammon Elementary)	\$ 75,000.00
80	Bonneville Joint School District	Energy Efficiency	Window Retrofit (Lincoln Alternative High School)	\$ 60,000.00
81	Bottle Bay Recreational Water Sewer	Pre-treatment system	Construct and install advanced MBR filter pre-treatment system	\$ 900,000.00
82	Bottle Bay Recreational Water Sewer	Lagoon complex upgrades	Upgrade and expand main storage lagoon	\$ 400,000.00
83	Bottle Bay Recreational Water Sewer	Subsurface treatment plant	Construct a sub-surface treatment and disposal system by land acquisition and easement attainment and construction	\$ 400,000.00
84	Bottle Bay Recreational Water Sewer	Land Acquisition	Purchase land or easements and construction to ensure service	\$ 300,000.00
85	Bottle Bay Recreational Water Sewer	Sewer system upgrades/repairs	Stabilize and maintain sewer mainline service from East Bottle Bay at the culvert near Bottle Bay Road	\$ 175,000.00
86	Bottle Bay Recreational Water Sewer	Septic tank upgrades	Purchase and replace 30% of the old septic tanks on the system	\$ 145,000.00
87	Bottle Bay Recreational Water Sewer	Lagoon complex upgrades	Repair 2 lagoon liners	\$ 125,000.00

Division of Financial Management

American Recovery and Reinvestment Act - REQUESTS

COUNT	NAME OF ORGANIZATION	PROJECT	DESCRIPTION	AMOUNT
88	Bottle Bay Recreational Water Sewer	Pre-treatment system	Construct and install simple filter pre-treatment system	\$ 100,000.00
89	Bottle Bay Recreational Water Sewer	Lift Station upgrades	Replace components for lift station pumps and electrical parts	\$ 95,000.00
90	Bottle Bay Recreational Water Sewer	Sewer system upgrades/repairs	Purchase and install 6 isolation valves in the sewer system mainlines	\$ 65,000.00
91	Bottle Bay Recreational Water Sewer	Sewer plant remodel	Remodel existing sewer plant	\$ 60,000.00
92	Bottle Bay Recreational Water Sewer	Security enhancements	Install security fencing around the lagoon complex	\$ 54,000.00
93	Bottle Bay Recreational Water Sewer	Lagoon complex upgrades	Widen, stabilize, and re-surface the main access road to and perimeter road around the lagoon complex	\$ 46,000.00
94	Bottle Bay Recreational Water Sewer	Sewer system upgrades/repairs	Construct a utility/storage building	\$ 45,000.00
95	Bottle Bay Recreational Water Sewer	Sewer system upgrades/repairs	Construct a chlorine treatment bldg at the lagoon complex.	\$ 45,000.00
96	Bottle Bay Recreational Water Sewer	Sewer system upgrades/repairs	Construct 8 new test wells in the sewer system land application site	\$ 35,000.00
97	Bottle Bay Recreational Water Sewer	Vehicle purchase	Purchase a long bed 4x4 p/u truck and accessories	\$ 29,500.00
98	Bottle Bay Recreational Water Sewer	Vehicle purchase	Purchase 6 ATV with lift bed and accessories (trailers, noxious weed spray equipment, snow blade and blower)	\$ 25,000.00
99	Bottle Bay Recreational Water Sewer	Lagoon complex upgrades	Construct a new dock/pier over lagoon for testing/maintenance	\$ 7,000.00
100	Boundary Community Hospital	Create a Health Care Education Center, Bonners Ferry	Remodel of an existing hospital owned building to create new health care education center that will more adequately meet the needs such as mock hospital rooms, office space, computer learning lab, and larger teaching space	\$ 175,000.00
101	Boundary County School District	Renovations and Repairs	Roof Replacement (four schools)	\$ 276,400.00
102	Boundary County School District	Renovations and Repairs	Renovation of BFHS food service area to galley service kitchen	\$ 92,800.00
103	Boundary County School District	Renovations and Repairs	Replace bleachers @ Middle School Gym	\$ 80,000.00
104	Boundary County School District	Renovations and Repairs	Enclose existing walkways to two schools	\$ 66,500.00
105	Boundary County School District	Renovations and Repairs	Installation of surveillance systems	\$ 55,900.00
106	Boundary County School District	Renovations and Repairs	Install phone system w/ voicemail at Valley View Elem.	\$ 19,900.00
107	Boys and Girls Clubs	New Boys and Girls Club	Construction of a new 15,785 ft Boys and Girls Club in Kuna	\$ 2,200,000.00
108	Boys and Girls Clubs of Idaho	Youth Employment Program	Staff and training for assistance to youth seeking employment	\$ 240,750.00
109	Burley Public Library	Renovations and Repairs	NEW - 25,000 sf. Library	\$ 5,949,000.00
110	Business OneStop	eGovernment Economic Stimulus (BOS is interested in selling this service to the state)	Serves as the 24X7 online destination for a new or existing business, where business owners can log into their own manageable virtual workspace from the convenience of their home or office and complete critical state government transactions without forms and long wait-times	\$ 6,000,000.00
111	Business Psychology Associates	Veterans services, job placement, mental health treatment		\$ 400,000.00
112	Butte County	Energy Efficiency and Accessibility	Remodel and ADA compliance for Memorial Building	\$ 85,000.00
113	Butte School District	Energy Efficiency	Insulation, Energy-Efficient Lighting	\$ 70,000.00
114	Cabinet Mountains Water District	Water Projects	2 new mains and installation of alarms.	\$ 315,000.00
115	Caldwell School District	Energy Efficiency	Bio-Mass Green Rated Boiler System/Energy Conservation	\$ 4,100,000.00
116	Cambridge School District	Energy Efficiency	Siding, Windows, Doors	\$ 100,000.00
117	Cambridge School District	Renovations and Repairs	Lighting, Electrical	\$ 35,000.00
118	Cannon Hill Industries	bio-mass project	hazardous fuels reduction	\$ 1,500,000.00
119	Canyon County	New Jail		\$ 48,200,000.00
120	Capital City Development Corp.	Public Garage Improvements	Maintenance, repair, upgrade	\$ 600,000.00
121	Capital City Development Corp.	Boise 8th Street Public Improvements	Street closure provisions and pedestrian safety / accessibility	\$ 200,000.00
122	Capital City Development Corp.	Boise Cultural District Improvements	Capital improvements	\$ 150,000.00
123	Cartwright Ranch	Hidden Springs Sewer improvements	New effluent filtration system improvements	\$ 1,900,000.00
124	Cascade Library	Library	Expansion (No Cost Estimate)	
125	Cassia Joint School District	Renovations and Repairs	Classroom Additions (10 classrooms in 5 schools)	\$ 2,200,000.00
126	Catholic Charities of Idaho	personnel hiring		\$ 200,000.00
127	Cedar Health Center	Staff Retention, Pocatello	Funding for personnel costs	\$ 240,000.00

Division of Financial Management

American Recovery and Reinvestment Act - REQUESTS

COUNT	NAME OF ORGANIZATION	PROJECT	DESCRIPTION	AMOUNT
128	Cedar Health Center	Health Information Technology project, Pocatello	Installation of a Health Information Technology system with billing capabilities for Medicaid and Medicare	\$ 100,000.00
129	Cedar Health Center	New Staff Recruitment, Pocatello	Recruit additional skilled medical/clinical positions	\$ 100,000.00
130	Cedar Health Center	Operating Costs, Pocatello	Rent	\$ 36,000.00
131	Central Shoshone County Water District	Water treatment plant	Water filtration plant, water line transmission main replacement, installation of water meters	\$ 7,500,000.00
132	Challis Golf Commission	Repair water system at golf course, build new retention pond		\$ 757,000.00
133	City of American Falls	Water and wastewater improvements	replacement	\$ 4,000,000.00
134	City of Ammon	Senior Citizen Activity Park	park construction	\$ 375,000.00

223	City of Lewiston	Community Development	Two Bus Purchases	\$ 150,000.00
224	City of Lewiston	Community Development	Ten Transit Shelters	\$ 80,000.00
225	City of Lewiston	Community Development	Down Payment and Closing Cost Assistance to Low Income	\$ 71,950.00
226	City of Lewiston	Public Works	LED Traffic Lights	\$ 25,000.00
227	City of Lewiston	Library Construction		
228	City of McCall	Transportation project	Replace underground utility lines	\$ 2,884,050.00
229	City of McCall	Airport Improvements	Overlay runways 16-34	\$ 2,000,000.00
230	City of McCall	Sewer line	Re-line treatment ponds	\$ 1,800,000.00
231	City of McCall	Transportation project	Overlay five miles of city roads	\$ 842,250.00
232	City of McCall	New sewer lines	Krahn Lane to Mission Street	\$ 700,000.00
233	City of McCall	Transportation project	chip sealing	\$ 684,000.00
234	City of McCall	Airport Improvements	Pavement repair and replacement	\$ 600,000.00
235	City of McCall	Transportation project	Rehab Wooley Ave and install bike path	\$ 352,000.00
236	City of McCall	Weatherization for City Hall and Library	weatherization	\$ 318,787.00
237	City of McCall	Sewer line	Inflow and Infiltration reduction	\$ 80,000.00
238	City of McCall	Transportation project	Sidewalk repair downtown	\$ 74,300.00
239	City of McCall	Adult Education for job seekers	job training	\$ 21,614.00
240	City of Meridian	Water and wastewater improvements	Land purchase, purchase new sewer trunks, rehab existing old trunks, filters, digesters, headworks structures, Reclaimed water program, disinfection upgrades, phosphorus recover/treatment, primary fermentation conversion, odor controls, manhole rehabilitation and side stream nutrient treatments	\$ 33,715,000.00
241	City of Meridian	Franklin, Touchmark to Five Mile	Route expansion	\$ 16,995,000.00
242	City of Meridian	Eagle Road Expansion		\$ 15,000,000.00
243	City of Meridian	Meridian Spill Corridor Phase 2	Extension of Meridian Road Expansion N of 84	\$ 12,909,000.00
244	City of Meridian	Ten Mile, Franklin to Cherry	Route expansion	\$ 10,970,000.00
245	City of Meridian	Linder, Franklin to Ustick (2 miles)	Route expansion	\$ 10,187,000.00
246	City of Meridian	Franklin, Black Cat to Ten Mile	Route expansion	\$ 8,940,000.00
247	City of Meridian	Ten Mile, Cherry to Ustick	Route expansion	\$ 7,295,000.00
248	City of Meridian	Fairview, Meridian to Locust Grove	Route expansion	\$ 7,108,000.00
249	City of Meridian	Franklin, Ten Mile to Linder	Route expansion	\$ 6,595,000.00
250	City of Meridian	Fairview, Locust Grove to Eagle	Route expansion	\$ 6,460,000.00
251	City of Meridian	Meridian Spill Corridor Phase 1	Expansion of Meridian Road N of 84 to Franklin	\$ 6,340,000.00
252	City of Meridian	Fairview, Eagle to Cloverdale	Route expansion	\$ 5,730,000.00
253	City of Meridian	Ustick, Meridian to Locust Grove	Route expansion	\$ 5,168,000.00
254	City of Meridian	Drinking Water Projects and Programs	Wells, pump houses, waterline, drinking water reservoir, engineering, and pressure reducing valve stations	\$ 4,950,000.00
255	City of Meridian	Pine/Linder	Signal and rebuild	\$ 4,715,000.00
256	City of Meridian	Ustick/Linder	Signal and rebuild	\$ 4,624,000.00
257	City of Meridian	McMillan, Locust Grove to Eagle	Route expansion	\$ 4,565,000.00
258	City of Meridian	Drinking Water Project	2 million gallon drinking water reservoir	\$ 4,500,000.00
259	City of Meridian	McMillan/Locust Grove	Signal and rebuild	\$ 4,470,000.00
260	City of Meridian	Eagle Road, Victory to Ridenbaugh	Route expansion	\$ 3,705,000.00
261	City of Meridian	Wastewater Project	WWTP reclaimed water program	\$ 3,550,000.00
262	City of Meridian	Ustick/Ten Mile	Signal and rebuild	\$ 3,480,000.00
263	City of Meridian	Ustick, Locust Grove to Leslie	Route expansion	\$ 3,415,000.00
264	City of Meridian	Wastewater Project	Tertiary filters and piping upgrades	\$ 3,170,000.00
265	City of Meridian	Victory/Eagle	Signal and rebuild	\$ 3,081,000.00
266	City of Meridian	Wastewater Treatment Plant High Efficiency Blower	Three turbo blowers for aeration	\$ 3,000,000.00
267	City of Meridian	Wastewater Project	WWTP Struvite Recovery	\$ 2,750,000.00
268	City of Meridian	Ustick, Eagle (Duane) to Cloverdale	Route expansion	\$ 2,737,000.00

271	City of Meridian	Wastewater Project	Digester gas conditioning and reuse	\$ 2,000,000.00
272	City of Meridian	Wastewater Project	Composting project	\$ 2,000,000.00
273	City of Meridian	Wastewater Project	Ultraviolet disinfection upgrades	\$ 2,000,000.00
274	City of Meridian	Wastewater Project	Manhole rehabilitation and repair	\$ 2,000,000.00
275	City of Meridian	Wastewater Treatment Plant Digester Gas Project	Refinement of digester gas	\$ 2,000,000.00
276	City of Meridian	Wastewater Project	Ashford Greens sewer trunk	\$ 1,900,000.00
277	City of Meridian	Ten Mile/Amity	Signal and rebuild	\$ 1,504,000.00
278	City of Meridian	Wastewater Project	Aeration basin capacity process	\$ 1,400,000.00
279	City of Meridian	Wastewater Project	Conversion of primary clarifiers to fermenters	\$ 1,250,000.00
280	City of Meridian	Wastewater Project	Headworks odor control	\$ 1,000,000.00
281	City of Meridian	Wastewater Project	Bioaugmentation	\$ 750,000.00
282	City of Meridian	Drinking Water Project	Well 28 well and pumphouse	\$ 700,000.00
283	City of Meridian	Wastewater Project	WWTP digester grinder pumps	\$ 700,000.00
284	City of Meridian	Wastewater Project	Black Cat lift station grinder pumps	\$ 700,000.00
285	City of Meridian	Wastewater Project	Rehab of existing digesters	\$ 660,000.00
286	City of Meridian	Wastewater Project	Moshers/Merrywood Sewer Trunk	\$ 500,000.00
287	City of Meridian	Wastewater Project	Phosphorous recovery / centrate treatment	\$ 500,000.00
288	City of Meridian	Wastewater Treatment Plant Alternative Energy	Incorporation of wind, solar, LED, etc., at plant	\$ 500,000.00
289	City of Meridian	Drinking Water Project	Pressure zone 1 valve stations	\$ 450,000.00
290	City of Meridian	Drinking Water Project	Amity Road waterline	\$ 350,000.00
291	City of Meridian	Wastewater Project	Downtown sewer rehabilitation	\$ 300,000.00
292	City of Meridian	Wastewater Project	WWTP Black Cat box odor control	\$ 235,000.00
293	City of Meridian	Wastewater Project	Coagulation building for chemical feed	\$ 150,000.00
294	City of Meridian	Efficiency and Conservation Project	Management of city's energy efficiency program	\$ 100,000.00
295	City of Meridian	Hybrid Fleet Vehicles	Replace gasoline fleet vehicles	\$ 100,000.00
296	City of Meridian	Storm water Projects and Programs	Develop a storm water Master plan,	\$ 100,000.00
297	City of Meridian	Stormwater Project	Development of stormwater master plan	\$ 100,000.00
298	City of Meridian	Wastewater Treatment Plant Optimization Study	Efficiency and conservation audit	\$ 50,000.00
299	City of Middleton	Wastewater plant improvements		\$ 7,450,000.00
300	City of Moscow	Gravel Street Project Rural Infrastructure Complete Street Development	Conversion of approximately 3 miles of existing rural gravel streets to complete street sections.	\$ 10,000,000.00
301	City of Moscow	Industrial Park Development	Construction and development of an approximately 65-acre light-industrial park. Development may require protection and mitigation of existing wetland habitat areas and designated flood plain areas. Joint City and Latah county collaborative project.	\$ 10,000,000.00
302	City of Moscow	Ballfields Complex	Construction of ballfields complex, construction of Conestoga Extension, access roadways adjacent and through complete road improvements to W. Palouse River Drive, installment of sustainable effluent irrigation system, development of recreational park area.	\$ 8,000,000.00
303	City of Moscow	Waste Water Treatment Plant Phase V	imrpovements	\$ 6,000,000.00
304	City of Moscow	A street Infrastructure Development- Phase II	Reconstruction and widening of existing rural collector street to improve capacity, safety, and intersection operations. Work includes sanitary sewer and water main improvements.	\$ 3,000,000.00
305	City of Moscow	Water Supply (Well #10) and transmission Main Improvements	Installation and development of a new municipal domestic water supply well.	\$ 2,900,000.00
306	City of Moscow	Historic 1912 Community Center Phase 4 Core and Shell Improvements	Structural improvements to local 1912 Community Center.	\$ 2,500,000.00

Division of Financial Management

American Recovery and Reinvestment Act - REQUESTS

COUNT	NAME OF ORGANIZATION	PROJECT	DESCRIPTION	AMOUNT
307	City of Moscow	Palouse River Drive East	reconstruction of 3,100 linear feet of 2 lane road to 3 lane urban street section including paving, curbs, sidewalks, bicycle lanes, ADA ped drops and utilities.	\$ 2,200,000.00
308	City of Moscow	Overlay Program Rural Infrastructure Complete Street Development	City wide program for restoration of deteriorating asphalt pavement streets. Work to include grinding, road base repair, patching, pre-levels and base and wearing course paving. Limited curb and gutter and utility repairs may be included as conditions warrant.	\$ 2,000,000.00
309	City of Moscow	Palouse River Drive West Rural Infrastructure Complete Street Improvements	Improvement of existing substandard rural Minor Arterial Project to construct 2,200 feet of full width improvements and 1,650 feet of half width improvements including asphalt roadway, intermodal bike lanes, ADA accessible ped drops, curb and gutter, sidewalks, and storm drainage.	\$ 1,600,000.00
310	City of Moscow	Sidewalk Program	Construction of sidewalks to be made throughout City.	\$ 1,000,000.00
311	City of Moscow	Brownfield assessment and remediation	several sites in Latah County	\$ 780,000.00
312	City of Moscow	FY2011 Digital communication Compliance and Repeater Replacement Program	The FCC is mandating that all non-federal public safety organizations move to a narrowband radio spacing. To meet the requirements, equipment that will become obsolete through this mandate will require replacement. To accomplish this, radio repeaters will need to be reprogrammed or replaced in addition to radios.	\$ 750,000.00
313	City of Moscow	Lieuallen street Connection Rural Infrastructure Complete Street Development	Improvement of existing gravel street to City street standards.	\$ 750,000.00
314	City of Moscow	Mountain View Road- North Rural Infrastructure complete Street Improvements	Reconstruction and widening of minor arterial to improve capacity, safety, and multimodal access. Work includes sidewalks and multi-use path providing connectivity to current systems.	\$ 750,000.00
315	City of Moscow	Standby Power Generation Facilities and Chlorination System	Installation of on-site backup power generation and on-site chlorination facilities to ensure continued operation during power failure and improved dysfunction safety and operations. System would sever standby power generation facilities for 3 wells and chlorination systems for 5 wells.	\$ 650,000.00
316	City of Moscow	Joseph Street at Meadow Street Rural Infrastructure Complete Street Development	Widening north side of Joseph Street to full width standard including curb, gutter, multimodal bike lanes, ADA ped drops and sidewalks.	\$ 550,000.00
317	City of Moscow	Mountain View Road- South Rural Infrastructure Complete Street Improvements	Reconstruction and widening of existing minor arterial between State Highway 8 and White Avenue (also a minor arterial) to improve capacity, safety, intersection operations, and multi-modal access. Work also includes sidewalks and water main improvements. Design survey is completed.	\$ 500,000.00
318	City of Moscow	Public Transportation	Improvements to existing fixed-route transit system facilities including installation of transit bus stops, shelters, signage, access sidewalks and amenities.	\$ 500,000.00
319	City of Moscow	Surface Water Reservoir Feasibility Study	Feasibility study to assess potential for surface water reservoir to augment declining aquifer water supply. This is the initial step to locate and construct an alternative water supply.	\$ 400,000.00
320	City of Moscow	City of Moscow coordinated community response Project	Allows for the implementation of a mobile data system to complete the computer system	\$ 390,000.00
321	City of Moscow	Pathway Improvements	Completion of Paradise Path from Heron's Hideout/ Carol Ryrie Brink Park and 6th Street to College Street section.	\$ 380,000.00
322	City of Moscow	Weatherization of Existing Historical Municipal and Community Structures	Weatherization of existing government facilities, including Moscow City hall and 1912 Community Center.	\$ 365,000.00
323	City of Moscow	City Wide ADA Improvement Projects	Construct ADA accessible ramp to public library facility and 162 ADA accessible curb entrances to existing sidewalks.	\$ 350,000.00

Division of Financial Management

American Recovery and Reinvestment Act - REQUESTS

COUNT	NAME OF ORGANIZATION	PROJECT	DESCRIPTION	AMOUNT
324	City of Moscow	Jackson Street Parking Lot	Utility improvements including water and electrical services, as well as public restrooms. Reconstruction of an existing downtown public parking lot.	\$ 300,000.00
325	City of Moscow	Waste Water Treatment Plant Headworks Upgrade	Update of existing WWTP headworks facility to replace poorly functioning screening system.	\$ 300,000.00
326	City of Moscow	Law Enforcement Officers	hiring of 1.5 new officers	\$ 256,000.00
327	City of Moscow	Pedestrian Bridge Path Construction	construct two pedestrian bridges, 3rd Street, Harrison Street to provide connectivity to existing pathway system.	\$ 150,000.00
328	City of Moscow	North Polk Water Main System Completion	Install 12" diameter water main to close gap in system and improve fire flow for emergency services.	\$ 100,000.00
329		Pedestrian Crosswalks	Styner Avenue at Highway 8 and 95	\$ 100,000.00
330	City of Moscow	Energy Efficiency Light Conversion Program	Conversion of existing standard incandescent lights in 14 traffic signals, 1100 street luminaires, and the Ghormley Park Event Lighting system.	\$ 55,000.00
331	City of Moscow	Ride-Share Program	Purchase of ADA alternative fuel 15-passenger ride-share van to be contracted to current transit provider. Expands service in rural Latah County.	\$ 41,000.00
332	City of Mountain Home	Additional Transportation Projects to accommodate future growth	Widen -- East 12 South from S 18th East to South Main	\$ 2,480,000.00
